Re: Case No. 2004-00058

Dear Mr. Alexander:

On February 28, 2005, the Commission entered an Order approving the settlement agreement between Commission Staff and Alexander Properties Group, Inc. The Order incorporated a portion of the settlement agreement in a paragraph suspending the penalty previously assessed against Alexander Properties upon certain conditions. The penalty was to remain suspended through October 1, 2005, at which time Alexander Properties would provide to the Commission written confirmation from Columbia Gas that Columbia Gas had commenced gas service to the tenants of Legacy Farm Townhomes. The Commission has received no written confirmation from Alexander Properties and a recent inspection of the gas facilities at Legacy Farm Townhomes has revealed that, although individual meters are in place, they are not serving the individual tenants.

Please advise the Commission in writing within ten days why the master meter has not been replaced and why Columbia Gas has not commenced gas service to the tenants of Legacy Farm Townhomes.

Sincerely,

Beth O'Donnell  
Executive Director
